

CHARTER TOWNSHIP OF LARKIN

CEMETERY RULES

Introduction

In presenting these rules and regulations to our friends, lot owners, and all interested in the Township's Cemetery, we hope you will cooperate with us and that the provisions of same will be carefully considered and kindly received, as we are all working together to promote the welfare and beauty of our cemetery.

It is the aim of the officers of this Cemetery to make it a quiet, beautiful resting place for the dead as well as keeping abreast of modern cemetery improvement, proper mode of burial and respectful observance of the sacredness of the cemetery, and it is believed that no unnecessary restrictions have been imposed upon individual taste.

Purchasers of lots acquire simply the right and privilege of the burial of human bodies and of the placement of markers and monuments, subject to the rules and regulations now in force or which may hereafter from time to time as may be enacted by the Township Board.

Let us not forget that a memorial is only a message to future generations and that our cemetery will grow beautiful only by the effort, time and money we put into it.

Notice

It is our suggestion that persons wishing to purchase lots inspect same at the cemetery with the Clerk or Caretaker prior to payment for said lot.

All arrangements for preparation of cemetery and services must be made with the Caretaker. Payments for lots are made in full to the Township Clerk.
