

The Larkin Township Fire Dept is offering FREE Smoke Detectors and FREE Carbon Monoxide Detectors to our community. These have been made possible through a Grant from the Allstate Foundation and the Michael Love Agency.

It is recommended that Smoke Detectors be installed on each level of the home and in each sleeping area. These should be replaced every **10 years.**

Carbon Monoxide Detectors should be installed on each level of the home as well. These should be replaced every 5 years.

Both are available by contacting the Larkin Township Fire Chief at (989) 839-0550 or email firechief@larkintwp.com.
